Memorial Brick Paver Fundraising Program**

Frequently Asked Questions about Yemassee Memorial Brick Pavers

How much does a paver cost?

As of September 2009, each paver costs \$100. Of that total, \$75 is tax-deductible per current IRS regulations. Paver prices may increase so always check the website, www.yemassee-sc.org, or contact the YRC office before placing your order. Current pricing will always apply to all orders.

Can I designate where to specifically install the paver?

No, all pavers will be placed in a design surrounding the flagpoles on the old Marine Corps Barracks site. Pavers will be installed as they are received from the manufacturer. Spots cannot be reserved for future pavers. However, multiple pavers received together in a single order batch can be placed next to each other. Drop a note of explanation in with your order forms and payment, explaining which group of pavers should be installed side-by-side.

How many letters or words can I put on the paver?

Three lines maximum. Thirteen (13) characters maximum per line. A character includes a letter, numeral, punctuation mark or space. No special characters can be inscribed.

How does the process work?

You return the completed order form(s) with your payment. Cash, checks payable to “Yemassee Revitalization Corporation” or Master Card and Visa credit cards are accepted. You can fax, mail or email your completed order form and payment to the YRC. You will receive immediate acknowledgement of the receipt of your order, payment and tax-deductible donation. You should file that correspondence for your tax records.

The YRC will batch orders in quantities of ten to work with the manufacturer for sand-blasting. Therefore, it is impossible to say how long the total process will take. We advise you to order as far in advance as possible to allow adequate time for order, proofing, manufacturing and installation. Once we accumulate ten paver orders, we will submit the order to the manufacturer. Shortly after submitting the order to the manufacturer, you will receive a proof of your inscription for approval. Once we receive approvals on each paver in the production batch, the pavers will be sandblasted and then installed on the site. You will be notified once the pavers have been installed.

Can I order a paver to honor someone else?

**Yemassee Revitalization Corporation
Memorial Brick Paver Fundraising Program**

Most definitely, you can order a paver for yourself or to honor someone special or to memorialize someone who has passed. You can purchase pavers for groups or clubs or military units.

If you desire, the YRC can send a note to your special person, letting them know that a memorial paver has been purchased in his/her honor. Drop a note of explanation in with your order forms and payment, if you want special acknowledgements sent out.

The paver makes a great gift for the person, who might be difficult to buy for, plus you'll be receiving a tax-deductible donation credit and you'll be helping out on a great cause for Yemassee.

THANK YOU FOR YOUR SUPPORT!
